

CRAG Meeting Minutes
15th August 2007

Hope those of you that have managed to escape the London rain have had relaxing summer breaks, looking forward to seeing as many of you as possible at the next meeting on the 19th September!

Leaflet distribution

It was decided to have no reprint of the leaflet at the present moment, but to continue distributing any that you may have tucked away indoors!

Noticeboard at Sainsbury's

Catherine is to update the board when she is next free- Catherine please call Jay on 020 8583 5058 if you need any posters/ new display material, thanks!

The banks at Sainsburys are going to be replaced later this year by those provided by Sainsburys- Nicola from the Recycling Team is chasing this one up and Jay will feedback with further info when it is received.

A-Z Directory

Now that there are only a few directories left, it was decided to revise and update and then do a reprint.

The directory is going to be split into sections and then each member is going to check the contact details and information for their section- are there any volunteers to do this? Does anyone have any info on anything that they would like to be included?

This can be further discussed at the next meeting, or please call Jay or email

jayshree.taank@hounslow.gov.uk

Events and competition

Catherine is going to organise delivery of Judy's cheque- has she been invited to the next meeting Catherine? Thanks for getting her recycling bag together.

During the month of September Green Garden Waste Collection Service sacks are buy one get one free! To promote this offer, a roadshow has been organised for the 29th September with CRAG members- please come along and lend a hand on the day!

Sacks will be available for purchase by residents, as well as the usual recycling material and literature on display for residents to take away with them.

The stand will be on the High Road, just outside Waterstones Bookshop, and we will be there from 10am-4pm.

Sacks on offer are available to purchase throughout September from ECT Recycling on 020 8813 3191/3192.

AOB

Lulu came along to the visit to LM Barry (the company who recycle the textiles and shoes we collect kerbside and from the bring sites), and it was an enjoyable and very informative day. Jay will bring along photos to the next meeting for other members to have a look at!
