

CRAG Meeting Minutes
21st February 2007

Green leaflet distribution

Please let Jay know what roads you have delivered to, so we can identify any other possible roads. So far, they have been delivered to- Glebe Street, Upham Park Road, Ennismore Avenue, Wavendon Avenue, Chiswick Road, Arlington Gardens, Marlborough Road, Walpole Gardens, Flanders Road, Merton Avenue, Mayfield Avenue, Thornton Avenue, Devonshire Road, Cranbrook Road, Chiswick Lane, Wilton Avenue, Ashbourne Grove, Balfern Grove, Cornwall Grove, Dorchester Grove and Eastbury Grove.

Herbert has successfully delivered leaflets to 12 Estate Agents on Turnham

Green Terrace and the High Road, who have all agreed to distribute to new residents moving into Chiswick. Jay has sent a letter to all of these Estate Agents thanking them and leaving contact details for when they need to request more to be delivered to them.

Noticeboard at Sainsbury's

This was due to be moved on Sunday 25th February, but Jay has checked and so far the noticeboard is still in the same place! Jay has spoken to the duty manager who is going to contact the store refit manager to find out more info... Hopefully by the next meeting this will have taken place!!

It was decided that once the board had been moved, it might be useful to draw people's attention to it by holding a competition on a bright poster inside. This could be something simple like emailing what items go into your Green Box, or 5 things that can go into the plastic recycling bank at the

site? People could then email CRAG with their entries, and a winner could be drawn randomly? Louise- would you be ok to collate the entries on email, otherwise Jim has agreed to take this over as you are quite pushed for time at the moment?

A-Z Directory distribution

These are ongoing, and are being topped up in outlets as needed. Currently, there are about 4 boxes left here at the Council.

A copy could be given to each person at the next Give and Take Day on the 14th April at Chiswick Community School.

If anyone is able to come and volunteer at the event, please let Jay know- maybe CRAG could have a joint stand there with the Recycling Team?
(jayshree.taank@hounslow.gov.uk or 020 8583 5058)

Future projects

A poster is going to be designed by the group that can be used for events

coming up in the Spring/ Summer (Jay is currently putting together a list of events for 2007). This can be used for the display boards giving more info. on the group, and will be designed after the AGM.

AGM

Catherine/Jim- don't forget to get this advertised on the W4 website!

Jay has invited Becky Slater from Friends of the Earth to be the Guest Speaker. Becky will discuss the current 'stop the waste' campaign, and will be able to answer your questions on the work that FOE do.

Please bring along refreshments for after the meeting- please email/call Jay on what you are bringing along so a list can be put together...

**See you all at the AGM on
Wednesday 21st March-
everyone welcome!**
