

CRAG Meeting Minutes 17th January 2007

Thank you for all your hard work during 2006, and looking forward to another productive year with CRAG in 2007!

Green leaflet distribution

These are still ongoing and are being delivered as and when people have time. At the meeting Jay bought along a map of Chiswick and roads where leaflets were delivered to were highlighted. Herbert, Jim and Lulu took away more leaflets to be delivered to those roads that weren't highlighted. Approximately 2,100 leaflets have been given out, which means we have about 1,900 left.

Jim and Herbert are going to approach local Estate Agents

on the High Road and Turnham Green Terrace to enquire whether it would be possible for them to include a leaflet in their new home owner packs.

Since the meeting, Herbert has had a very positive response from the Estate Agents on Turnham Green Terrace, and has spoken to and delivered leaflets to Bushel, Fletchers and Barnard Marcus. Jay has delivered approx. 650 more leaflets to Herbert to give to other Estate Agents to put in their information packs.

Noticeboard at Sainsbury's

The noticeboard at Sainsbury's is going to be moved- Jay is just waiting to hear back from the manager responsible for this to find out when this is going to take place.

The board is going to be moved to sit in between the textile bank and the plastics banks, next to the container that the car wash guys use to store equipment in.

Give and Take Day

The next day is going to be held on Saturday 14th April and not the 24th March. This change of date is due to unavailability of the hall.

It is going to be held at Chiswick Community School, on Burlington Lane. If anyone is able to come and volunteer on the day, please let Jay know by calling 020 8583 5058.

AGM

Jim is going to do a PowerPoint presentation detailing the groups' projects in 2006, as well as giving an overview of the financial accounts.

Catherine/Jim are going to advertise the AGM on the W4 website, and the Brentford and Chiswick Times, as well as invite BRAG and CARE to attend. Jay will organise to try and get this included in the events section of hm magazine.

Jim is going to invite a Guest Speaker, and will contact the

companies where our kerbside recyclable materials are taken to, enquiring if there is an Educational Officer available for a talk.
