

CRAG Meeting Minutes 21st June 2007

As Jay will be away for the next meeting on the 18th July, it was agreed that this meeting be cancelled. Please make a note of this! The next meeting will be August 15th- hope you all have a lovely summer break!

Leaflet distribution

There are only approx. 80-100 leaflets left, but Jay is going to hold onto these. They will be used for display in the leaflet holders at the Civic Centre, and on the

Recycling Teams stall during the rest of the summer events.

Noticeboard at Sainsbury's

The idea for the competition poster for the board has been bought forward to the August meeting.

A-Z Directory distribution

Jay only has approx 20-30 directories left, and Catherine has about 2 boxes left and is only going to print enough inserts for these. It was agreed that in August, the directory would be revised of changes and reprinted.

Events competition

The competition didn't go as well as expected and we only had 4 ideas! This was probably because people didn't want to hang around the stall, and simply wanted to take their information and leave. Also, it was very hot that weekend, and so people weren't looking to stop and

talk- more so to generally browse...

There was a good idea given from one resident living in Chiswick and she will be awarded the £50 prize. Her idea was to reuse the bag that comes inside cereal boxes for taking sandwiches to work in. They can be reused over and over again, and as they are clear you can see what's inside them- and it saves on having to use ordinary sandwich bags! Catherine is going to arrange delivery of her recycling goody bag and cheque. The other 3 ideas were ideas that the group were already aware of, and as they weren't original it was decided not to have any runners up prizes.

Events

The Chiswick House and Bedford Park events went well, and approx 25-30 directories were given out. The roadshow on the High Road also went well, with another 10-15 directories being given out. Thanks to

those members who turned up to lend a hand at the events- Lulu, Catherine and Herbert.

AOB

A visit has been booked with LM Barry to visit their textiles recycling site in Canning Town. If you would like to come along, please call Jay on 020 8583 5058. The visit will be held on Friday 17th August, and will probably be from around 9-10am to late afternoon. Please note it's a first come, first served basis, and if places are booked up you will be put onto the waiting list for the next visit.

**See you all at the next meeting
on the 15th August!**
