

CRAG Meeting Minutes
16th May 2007

Leaflet distribution

These are still ongoing, and are being dropped off as and when members have time.

Herbert took some more to deliver at the meeting, as did Catherine who is going to add a copy to the A-Z Directories, as this is a handy quick reference flyer to keep separate from the booklet.

Noticeboard at Sainsbury's

The idea for the competition poster for the board has been bought forward to a future meeting.

If anyone has any other ideas as to what flyer/poster could

go into the noticeboard then let Catherine or Jay know!

A-Z Directory distribution

Jay has checked the phone numbers and web links for the Directory insert and is passing on changes to Catherine. Once this is done, Catherine will go ahead and print.

Events competition

CRAG are going to be attending 2 events the weekend of 9-10th June- Chiswick House Kitchen Garden Open Day on the 9th June and Greendays' Festival at Bedford Park. Both CRAG and Hounslow Recycling Team will attend these events in celebration of Recycle Now Week (2-8 June) and London Sustainability Weeks (3-17 June).

It was decided at this meeting that the idea for the junk monster competition was going to be scrapped as this would mean that more waste is being produced as

afterwards there is not a lot you can do with the model besides bin it!

Instead, the competition is going to be inviting residents to bring along their best reuse ideas for an item of waste that would otherwise be thrown away. There will be a top prize of £50, and 2 runners up prizes of £25 as well as a recycling goody bags.

At this meeting, a poster was designed by the group to advertise the competition. Jay is going to finish getting the poster designed and then will have it produced. If you are able to display any in your area, let Jay know! The posters should be ready the week beginning 28th May, and can be dropped off to you by Jay.

Catherine is going to add the details online at ChiswickW4.com, and Jay will put it in the local press.

AOB

Louise is happy to carry on with the day-to-day management of the website, but will be speaking with Jim to possibly add on some new pages. Catherine is also going to contact Jim in regards to taking over the emails as they are all currently being sent to her.

A roadshow has been booked on Thursday 14th June on Chiswick High Road outside Waterstone's Bookshop. Let Jay know if you are able to attend- we'll be there from 10am-4pm giving out A-Z Directories and other information.

**See you all at the next meeting
on the 20th June!!**
