

CRAG Meeting Minutes 17th October 2007

Please note that the meeting on the 19th December has been bought forward to the 12th – as Jay won't be at the next meeting see you all in December for a mince pie!

Leaflet distribution

Again, please continue to deliver any you may have tucked away in the home!

Noticeboard at Sainsbury's

Jay is keeping the board updated, and has displayed posters advertising the change in recycling banks at the site.

All the recycling banks have now been removed from Sainsbury's- only the 2 Tetra Pak banks remain.

Sainsbury's are in the process of installing their own banks, any questions on the site should be directed to the Store Manager or via the Careline on 0800 636 262.

Rima drafted a letter voicing concerns that the new banks would not be able to accept mixed plastics. This was typed up and sent by Catherine to the Store Manager, who has forwarded to Head Office for a reply. We are still awaiting a response.

A-Z Directory

Directory updates are still ongoing.

Jay will not be able to make the next meeting on the 21st November- but there will still be a meeting to update the directory! Louise is going to attend this meeting, and updates can be passed to her. This also includes any new additions you would like in the directory.

Does anyone have any suggestions for who the Guest Speaker will be? Who will be presenting updates on CRAG' activities and projects in 2007? Jim, will you still be doing an overview of the groups' accounts? At the AGM, the newly revised Directory will also be launched.
